Year 2 Learning Journal Term 1 Week 4

In Religious Education we learnt to

- sequence, record and communicate stories about Jesus. We focussed on 'Jesus Heals the Leper' and 'The Good Samaritan'

In English we learnt to

- discuss possible author intent and intended audience of a range of texts
- build words starting with 'tr' and 'tw'
- identify verbs, common and proper nouns in a text and in personal writing

In Mathematics we learnt to

- apply place value to order, read and represent numbers of up to four or five digits
- use a calendar to calculate the number of months, weeks or days until an upcoming event
- recognise that in some cultures seasonal changes mark the passing of time including Aboriginal people

In Science we learnt to

- describe external features and changes in growth of living things
