Religious Education
This week we continued reading the story of Zacchaeus the Tax Collector. We are learning from Jesus’ example of forgiveness to grow in our friendships.

English
We are learning to apply our knowledge of the letter-sound relationships to decode and understand words when reading.

Mathematics
We are learning to count forwards and backwards from a two-digit number.

A Note from the teachers: Magazines
We would like to start a collection of magazine resources in our classrooms. If you have any old magazines you don’t require any more, we would appreciate them for classroom use. Please ensure the content of the magazines is age appropriate for Year 1 students.

Ms Pelling and Ms Ward.
