A Good Shepherd thought

"The sheep that belong to me listen to my voice" (Jn 10:27)

Knowing God and one another has a lot to do with listening. Think of all the ways you "listen" to your children, spouse, loved ones - listening with ears, with eyes, with touch, with action, and with the eyes and ears of the heart, listening "beyond words". "Listen" is an important word which we find in the Scriptures.

How do I listen best? How do I like to be listened to ?

FLASHING LIGHTS SCHOOL ZONE

Andrea Hogan, a member of our School Advisory Committee shared with us the following email from the office of James Griffin MP.

James Griffin MP has received good news from RMS regarding the school's request for flashing lights as follows:

- Roads and Maritime will provide a set of school flashing lights for St Cecilia's Catholic School.
- They will be located on Wanganella Street (northbound) and White Street (westbound). These flashing lights are scheduled to be installed in the coming weeks, however a specific date is yet to be finalised.

We are very happy with the outcome. They have in fact already been installed. Andrea, on behalf of The Advisory Committee along with Angela Winter have been petitioning the RMS over the past year to make the streets surrounding our school safer for the children. Unfortunately we don't meet the requirements for a Lolly Pop person on the crossings or for extended 40 zone signage however with James Griffin's support we do have flashing school zone signage.

We have invited James Griffin to attend our 2:30pm Assembly on Monday 20 May to show our appreciation not only for the support given to us regarding the flashing lights but also for the grant given to us to help fund the shade structure. Please join us at that assembly if you can.

MID-YEAR REPORTS AND THREE WAY INTERVIEWS

CHORAL EISTEDDFOD AT DEE WHY

Children from Years 3 to 6 who have elected to join the lunch time choir will compete at the Northern Beaches Choral Eisteddfod on Thursday 30 May at Dee Why RSL. The Choral Eisteddfod gives our children the opportunity to take performing arts to the next level.

We will get the opportunity to hear the choir perform on Monday 27 May at our Monday afternoon assembly. We wish them well and thank Mrs Roberts for the preparation that has gone into the choir.

MOTHER'S MONDAY 13 MAY FOR MOTHERS OF STUDENTS IN YEARS 1, 3, 5

Parent participation and involvement in their child's education has shown to develop a more positive attitude towards learning. On Monday 13 May we invite the mothers of students in Years 1, 3 and 5 to spend the morning from 9am till 1pm in the classroom with their child. Students can invite a significant female in their lives if their mother is unable to attend. Due to space constraints unfortunately we can only accommodate one visitor per student. Our program will include structured class activities followed by a Mothers' Day liturgy and assembly at 12:15pm allowing for parents to leave at 1pm. An outline of the day for each grade will be emailed home attached to the lesson intents on the Friday before Mother's Monday. We understand that not all parents can commit to the entire morning and they are welcome to attend any part of the session that fits in with their work schedule. All parents are invited to attend our Mother's Day liturgy at 12:15pm in the church.

HEAVEN ON EARTH TOMORROW 9AM – 10.30AM, ST CECILIA'S SCHOOL HALL

Three short steps along the pathway into Meditation

At St Cecilia's we have a wonderful tradition of providing parents and carers with an opportunity to take time for themselves through meditation, discussion and companionship. Our Heaven on Earth sessions are designed accordingly. This year after popular demand, Fr Paul has agreed to be our guest facilitator for our first meeting tomorrow morning in our school hall. Last year Fr Paul held similar sessions at the parish and these proved to be very popular. Please put time aside for yourself and attend Heaven on Earth. You are welcome to invite a friend, your parents or a neighbour. EVERYONE is welcome.

NORTHERN BEACHES COMMUNITY OF CATHOLIC SCHOOLS CROSS COUNTRY

- War medals, from John Wunder, for his service during the Second World War.
- Army Hat and boots belonging to Mrs Smith's son, Captain Michael Smith.

MOTHERS' MONDAY

Thursday 9 May 9am – 10.30am, St Cecilia's School Hall

Three short steps along the pathway into Meditation

We are excited to have our own Fr Paul facilitate our 'Heaven on Earth' morning. It is a time for parents to come together for gentle meditation, interactive discussion, engaging resources plus coffee and cake to revive the spirit.

There will be time to listen to Fr Paul's initial input, time to experience each of the movements into prayer, and time to share and discuss with one another what our experience has been like.

Please consider this as an opportunity for you to unwind and replenish your own spiritual nourishment. All parents, grandparents and parishioners are invited .

RELIGIOUS EDUCATION MODULE: Stage 3—Co-operators in God's Gracious Act of Creation

Image from: <http://www.dailylifeverse.com/posts/2012/08/psalm-8-3-4>

This module aims to create a more mature understanding of our place in creation. It moves beyond the simple concept of caring for creation, which does not truly capture our intimate relationship with God, with each other and with all of creation. Students will explore how we belong to God's community of interactive members united by self-sharing and thus are called to participate in an active renewal of creation every day. In this process, children will be experiencing a Trinitarian understanding of God *ie*, that God is one; God is many; God is community and God is one that is made of many.

THE IMPORTANCE OF A 'THANK YOU'

This week in class, we discussed the importance of saying "Thank you". We shared the last five times we said thank you to someone and we wrote it down. We also considered why we say it and the impact it has on others. Then we made short stories about a picture on a note that said, "Thank you", with two little love hearts on the sides.

Before starting our stories however, we discussed who could have written it and why. The class came up with many different ideas about who could have written the note, who it could have been for and why. We also noticed how the note was a small, torn off piece of paper. This aspect then allowed us to consider further reasons behind the note and how it may have been written spontaneously, or in response to something kind one person may have done for another. Overall, the process went beyond a writing lesson. It offered us the chance to consider the impact on a person who is receiving a thank you. This simple act can make them feel that they are appreciated.

We also discussed how this should extend beyond our family and friends. Too often, we ignore the people we encounter and do not offer our appreciation through a simple thank you. This may include someone who serves at a restaurant, your bus driver, a taxi driver, coaches or our teachers. We also say thank you, because, we can easily take for granted the things that people do for us. It may be a small gesture, but it can have a big impact.
