## Dear Parents

Discipline and sacrifice are the hinges of the "narrow gate" that Jesus speaks of in Sunday's Gospel. All of the important things of life demand that we struggle through the narrow gate. There are no magic words to loving and being loved, to creating a world of justice and peace, to forgiving and being reconciled with one another.

Jesus promises that anyone willing to struggle through the "narrow gate" will come to experience the life of God to the fullest and find welcome in the dwelling place of God.

## THANK YOU TO THE PARENTS AND GUESTS WHO ATTENDED OUR STEM OPEN TO LEARNING MORNING

All students are proud of their STEM learning and welcomed the opportunity to share it with our community. A team of Stage 3 children and a team of Stage 2 children will present their STEM challenge at the Northern Beaches STEM Fair on Friday 23 August to be held at St Paul's Manly.

**BOOK WEEK: "READING IS MY SECRET POWER"**

Author visit and book week parade Tuesday 20 August.

The Book Character Parade was a great success with both students and teachers displaying their creativity and love of books. The students were all eager to share their favourite books in class during their literacy lessons and there was a lot of 'reading' happening in the playground during recess and lunch.

The students were all captivated by our visiting author Yvette Poshoglian's interactive presentations. Yvette discussed the processes of plot and character development in story writing as well as the need to research and plan. The students certainly displayed their love and knowledge of literature when participating in her entertaining character identification contests.

The rest of the week is just as exciting:

- Grandparents Day Friday the 23 August - Book fair/stall in the hall.
- Buddy reading- during peer support. Students are invited to bring their favourite book to share with other children on Thursday 22 August

### **FATHERS' FRIDAY 9AM TO 1PM**

The students in Years 2, 4 and 6 are very excited to welcome their dads to school on Friday 6 September. I believe there may be a lot of science and maths happening in classrooms when the dads visit. We appreciate how hard it is to get time away from work so please don't feel obliged to spend the entire morning with us if it is not possible. Any time you can spare will be appreciated.

- 9am Welcome & Assembly
- 9:10 In-class activities until Recess
- 11am: RECESS Dads to Hall for morning tea (No Children)

### **PUBLIC SPEAKING**

During Term 3 we have a whole school focus on public speaking culminating in the St Cecilia's Public Speaking Competition. All students are presently working on their public speaking skills in class. Finalists will present their speeches later this term. Public speaking is a lifelong skill that assists us in many areas of our daily life and I have been very impressed by the standard of the speeches I have heard so far.

Congratulations to Elenor B and Amelie R who will represent St Cecilia's at the Northern Beaches Cluster final on Tuesday 26 August. Congratulations also to Elise B who placed third and Emma McG who received highly commended in the Year 6 finals.

### **SCHOOL PHOTOS TUESDAY 27 AUGUST**

Next Tuesday is school photo day. Please ensure that your child is dressed in full winter uniform and hair is tied back.

Individual and family photo envelopes were sent home this week. Please remember:

- Don't seal envelopes inside each other. You can pay for all children in one envelope however each child needs to have their own envelope on photo day.
- If you didn't receive a family envelope please ask for one at the school office.
- If paying by cash please enclose **correct money** as no change is given on photo day. **No cheques accepted.**
- Credit card payments can be made online (please follow instructions on envelope) or by calling MSP prior to the day. Your child will still need to take their envelope with them on the day.
- Sport / Specialty photo orders will be organised after photo day on a separate form.
- If you wish to purchase high resolution family group photos call MSP Photography directly. They will process the payment over the phone. You are unable to do this online.
- For all enquiries please phone MSP 9499 6555.

### **EXCITING NEWS – AN OFFICE KIOSK AND A NEW PARENT PORTAL!**

Our Compass Kiosk went live today. The Kiosk sits in the front office and looks like a large iPad. It is to be used by parents who pick up their child/ren early and for late arrivals.

Also, shortly you will receive details about a Compass Parent Portal and App which will enable you to access information online about your child/ren, anytime, anywhere, from any modern web-enabled device.

The Compass Parent Portal will go live next Wednesday 28 August. Please keep a look out for an email with login information and instructions over the coming week.

From Wednesday 28 August you will no longer need to phone the office to inform us of your child's absence or send in a note on the child's return. You will simply log onto the app and register the absence yourself. No further action will be required. If you haven't registered the absence by 9:30am you will receive an SMS informing you that your child has not arrived at school and you will need to log onto the Compass App to explain the absence.

Initially you will be able to –

- View information on your child/ren's attendance
- Enter explanations for absences
- Receive communications
- Update your contact details

### **BOOMERANG BAGS**

Don't forget to send old t-shirts/ singlets in with your child to be placed in the big red box outside the office. The children will use these on Father's Friday to make Boomerang Bags. The bags we make will then be put into circulation

to be used as shopping bags. Our aim is to teach children that materials can be reused to make useful items and reduce the need for people to use plastic bags when shopping. Our box will eventually relocate to Balgowlah Heights shops for the general public to use.

We are also happy to take your stash of spare reusable shopping bags so next time you forget your bag whilst you are shopping they'll be available where you need them.

### HOME LEARNING

Thank you to parents who replied to the Home Learning survey recently distributed through our School Advisory Committee.

We received 56 responses. Overwhelmingly parents are in favour of home learning. There is a split as to whether parents want routine home learning or open ended tasks. Unfortunately the survey did not identify the grades the answers referred to. Our hunch is that the younger grades prefer routine tasks that practise basic skills whereas the older grades are enjoying the research.

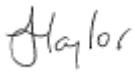

What was clear was that home learning can be stressful and parents don't always engage with their child during home learning sessions. Research shows that for home learning to be successful it needs to be supported by a calm home environment where parents and students can sit together without other distractions that may cause stress. In this way parents will receive, directly from their child, the daily feedback they are seeking regarding the progress of their child. We are gradually introducing 'Mathletics' an online mathematics program as a home learning task. The benefit is that unlike a maths mental book you and your child will receive immediate feedback on the success of the task. If the child is experiencing difficulty with the task you can sit with them and take them through the tutorial explaining the task.

Thank you again for taking the time to complete the survey. We will continue to work on the feedback given to us.

### ESAFETY

The Diocese of Broken Bay and the Council of Catholic School Parents NSW/ACT are jointly co-hosting a special eSafety Masterclass as an initiative of National Child Protection Week and Safeguarding Awareness Month, this September. This is an exciting event with the Office of the eSafety Commissioner presenting exclusively to parents/carers on the subject of how to keep children and young people safe online. The [invitation](#) is open to all parents/carers.

In all things may God be Glorified.

### AUTHOR VISIT

This week on Tuesday we had Yvette Poshoglian, author of the *Ella and Olivia series*, *Puppy Diaries* and many other books came to school and talked about being an author. We learned a lot about being an author and the steps of forming characters and a story. Yvette showed us great examples of characters we could identify as well-formed characters from books we read every day from well-known authors. She showed us different strategies to form a title and well developed storylines. She also shared her experiences of writing *Puppy Diaries* and how she thought of the storyline. She showed us how people or animals we see every day can be the start to our own creative stories. Using the example of her dog, Archie, she showed us how animals can be some of the best characters in our own writing. We learned a lot and enjoyed the experience of her visit.
