Celebrating 90 years...

Dear Parents

A parable to ponder

The [parable of the tax collector and the Pharisee](#) is a well-known story that underlines the importance of coming before God with one's authentic self and a humble heart. The Pharisee is a good man, who sincerely keeps the commandments. Unfortunately his ego gets in the way as he prays, viewing himself as superior to the tax collector, and centred on himself rather than God. Jesus praises the tax collector who comes to God with a repentant and humble heart. How might we engage with our children in pondering this ancient story and its time-honoured wisdom? (See [Luke 18:9-14.](#))

Diocese of Broken Bay

HEAVEN ON EARTH

This term we are happy to have Fr Paul back to lead our [Heaven](#) on Earth parent session.

This is a wonderful time for self-reflection and meditation. The timing is perfect just before the Christmas rush. We don't often get the time for ourselves. Please be assured all parents, grandparents, parishioners and friends are invited and are most welcome to attend.

FACEBOOK

Research shows that parents are paying greater attention to a schools Facebook page than to their webpage to gauge authentic, immediate, current communication. Families searching for a school will turn to their Facebook page first and foremost to get a feel for the school. They will only turn to the webpage for more detailed information, most of which is static. As a result last week we launched the 'St Cecilia's Catholic Primary School' Facebook page. Next time you are on Facebook be sure to have a look and 'like' our page.

PARENT NETWORK COMMITTEE

The parent Network Committee is a dedicated group of parents. They are currently working on setting up the parent Christmas party as well as ensuring events scheduled for early next year are ready to go. Sadly this year our President Jamie Castaldo and a number of Vice Presidents have decided to step down to pursue their own work commitments. We need your help. Do you see yourself as someone who loves to engage with other parents across the school and has a flair for event management? Please read the parent network section of this newsletter to view the role descriptions of the various roles up for nomination. If you feel you would like to be nominated for one of the positions or would like to find out more feel free to speak with me directly or contact Jamie Castaldo.

THE LION KING JR MUSICAL

The countdown is on and the excitement is building! Our 2019 musical 'The Lion King Jr' is fast approaching! The performance will take place on Tuesday November 12 at The Concourse, Chatswood.

Props and Costumes

We are looking to see if anyone will be able to lend the following props and costume items:

- Medium to large potted palm trees (real or artificial) that are easy to carry on and off the stage
- Faux fur vests (see image) for Stage 3 students wear

If you are able to lend any of these items, please contact Miss Williams or the school office.

Working Bee

If anyone is available to help with the painting of props and easy hand sewing of costumes next Thursday, 24 October, after school in the Year 4 classroom from 3.25pm that would be greatly appreciated.

Make-up Artist

If you or anyone you know is a make-up artist and has the skills required to apply face paint animal designs for our lead characters in the musical, please contact Miss Williams.

Information regarding permission to travel to the dress rehearsal on Tuesday 12 November, costuming, hair and make-up and other relevant musical details will be emailed to parents by the end of the Week 2.

Tickets will go on sale on Wednesday 30 October at 10am via the following link:

DRAMA

Thank you all for your prayers and good wishes for my grandson, Orson's, recovery from leukaemia. Orson has had more than two months of intensive treatment and he is responding very well. It is a two-year program so we still have a long way to go and we still need your prayers, positive thoughts and good wishes. These have contributed so much to the family's well-being as well as Orson's health and good spirits. Thank you again.

Trish Collier, Stageworks Drama Teacher

YEAR 6 CAMP ACKNOWLEDGEMENT Students from our school have recently undertaken an education tour of the national capital. Students had the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist in meeting the cost of the excursion, the Australian Government will contribute funding of \$20.00 per student under the Parliament and Civics Education Rebate. The rebate is paid directly to the school upon completion of the excursion.

YEARBOOKS

Have you purchased your 2018 Yearbook? These are available for \$30 each at the school office. Please pay via QKR.

STAGE 3 CANBERRA EXCURSION

Last Wednesday, Stage 3 took a bus to Canberra. We went to many different places like Parliament House, Questacon and the Australian War Memorial. When we went to Parliament House we got to meet our local MP (Member of Parliament), Zali Steggall and asked her some questions about the environment and what she could do to possibly help with any of our concerns. That day, we also went to the National Museum of Australia and learnt about our original owners of this land and the Torres Strait Islanders. All of Stage 3 had so much fun and to top it all off, at the end of the excursion we went to Questacon where we had lots of fun with all the *hands on* science experiments and activities.

BOOMERANG BAGS

Our boomerang bag box has a new home! Thanks to all the dads at Father's Friday and students throughout the school- we have made over 250 t-shirt bags out of recycled materials.

Please pop into to see it when you are shopping at Balgowlah Heights and more importantly use the bags when you are up there instead of using a plastic bag. If you have stash of bags at home fill the box up as well!

You might even spot your bag out and about!

Thank you Maxine Haigh at Healthy Heights for agreeing so eagerly to host the box. Our aim is to teach children that materials that would have been thrown out can be reused to make useful items and reduce the need for people to use plastic bags when shopping. In doing this we consider how we care for our common home in our daily lives.
