

Year 3 Learning Journal

Term 1 Week 8

Religious Education

Inquiry question: **How does the Sacrament of Penance reconcile me to God, myself and others?**

This week in Religious Education we have been focusing on the symbols of Lent. We prepared for our liturgy and we explored the Gospel story, Jesus Heals a Leper. (3W) We enjoyed working with Mr Warby to learn our song *Together as one*, 3B were our echo and together we sound amazing.

English

In writing we have continued to plan and draft persuasive texts. This week we wrote a persuasive text to convince the audience *That children should/shouldn't do chores(3W)* and *Animals should not be kept in zoos(3B)*.

In spelling we looked at the phoneme /e/ and in grammar we have been investigating homophones. We began our oral presentations on why we should be respectful.

Mathematics

In number students have been learning how to use a number line to demonstrate their thinking when solving division problems. In measurement students have been investigating the properties of 2D shapes.

PDH

This week in PDH we have discussed the following question.

How does it feel to face a challenge?

We created a word wall of feelings and categorised these under the headings positive and negative. We looked at how we can respond to these feeling in a positive way to make us feel happy.

Kind regards,

Terri Smith and Rachael Wiggins
