INSPIRING YOUR CHILD TO LOVE LEARNING AND BE THE BEST THEY CAN BE

St Cecilia's offers a close knit, supportive and nurturing community where the wellbeing of all children in our care is pivotal to everything we do and plays a vital part in their learning success. We offer a dynamic learning environment well equipped for future focused learning. Principal, Fran Taylor, leads a dedicated, talented and professional team, proud of their commitment to guiding students to be the best they can be. Your child will gain a well-rounded education based on the Catholic values which underpin our curriculum.
